

In Norse mythology, the Norns are **female beings who rule the destiny of humans and gods**, represented primarily by the three chief figures: **Urðr** (the past), **Verðandi** (the present), and **Skuld** (the future).  God of War Wiki +2

The Three Main Norns

- **Urðr (Urd)**: Represents what once was, or the past.
- **Verðandi (Verdandi)**: Represents what is coming into being, or the present.
- **Skuld (Skuld)**: Represents what shall be later, or the future.  Spells and Spaceships +1

Duties and Powers

- **Weaving Fate**: They spin and shape the threads of fate for all living beings, holding a power higher than even the Norse gods.
- **Tending Yggdrasil**: They live by the sacred well *Urðarbrunnr* beneath the world tree Yggdrasil, pouring water and white clay over its roots to keep the cosmic tree from rotting.
