Petey Drives Off Mackinac

4

Lizzie: The Great Lakes brought out far worse in all of us...
 The investigators found our family car submerged underneath Mackinac Bridge.
 No sign of Petey but... our Petoskey.
 A bridge is supposed to unite two lands not divide two souls...
 From that day forth, I vow to never set foot on a bridge that double-crossed my heart.
 The strait that stole my balance, silenced my music, drowned my love...
 Sometimes, you don't know greatness until that thing is no longer in your life.
 But that didn't stop me from giving life to greatness named... You guessed it.
